A letter from the new owners:

Welcome! Many Springs Resort has always been a special place for us. Our group is a “family and friends” team, based in the Missoula and Flathead area. We considered the prior owners and managers, Barb, Steve and Casey, as friends. As boaters and residents of the area, drinks and dinner at Many Springs was always a special event. The food, meeting friends, and the lakefront patio often seemed “more BVI than the BVI”. We want to bring it back so that friends, family, and guests can have that special experience.

When life changes occurred, we saw this was our time. While others had plans for demolition and dramatic new private buildings, we saw the opportunity to maintain the ‘retro’ look and feel, adding charm and personality to the lake offerings.

This is a work-in-progress. You may notice new stain, paint, employee dorm rooms, updated kitchen, rebuilt dock, lighting, and more. A lot of work this spring has gone into making mothballed facilities operational again. Savannah, our General Manager, is local and came highly recommended. Our bartenders, Justin and Bex, are a team with resort experience from the Grand Canyon to Miami. The kitchen staff is new and gaining experience daily. With expert guidance, we believe you will be impressed with our fine dining offerings. Initially, the food menu will include appetizers, weekly special entrees and a variety of desserts. We will also have gluten-free and vegetarian options. Children are welcome, noting that this is a full bar and adult environment.

Hours: The bar will be open Tuesday through Sunday, 3 pm to 11 pm (beginning Quiet Hours). Tables are reserved for dinner guests with reservations beginning at 5 pm. Please make dinner reservations on this website or by calling (406) 982-3900.

Location: Many Springs Resort is located in Yellow Bay at 24377 MT Hwy 35, about halfway between Polson and Bigfork. If arriving by car, the turnoff is 50 yards north of mile marker 17 on the eastside highway. The driveway is on the west side of the road, under the old Many Springs sign. Drive slowly, please! Please park in the upper parking lot. If arriving by boat, we have boat slips available, depending on weather.

The twelve lodge rooms are available for reservation through a link from this website to the Vacasa (property management) website. You can reach them directly at www.ManySpringsFlatheadLakeResort.com. Vacasa manages the rooms. Our site staff manages the bar and restaurant.

We are so pleased that you will join us. We plan to update this information frequently.

Enjoy!
